“With today’s public scrutiny, political demands, new workplace rules, and increased workloads affecting the exposures of federal employees to allegations, investigations, disciplinary actions, and lawsuits - federal employees simply can’t afford NOT to have professional liability insurance.”

Anthony F. Vergnetti, Esq.
President and Founder, FEDS Protection

Legal Representation

The quality of FEDS legal counsel sets FEDS apart from other liability programs. Shaw, Bransford & Roth leads our panel of attorneys, providing representation on a wide range of employment law and federal personnel issues.

FEDS Protection benefits are secured by a U.S.-based A+XV (Superior) rated company.

COVERAGE

The FEDS policy...

- pays up to \$1 million, \$2 million, or \$3 million in legal defense costs and indemnification for personal capacity lawsuits resulting from an alleged act, error, or omission while rendering the covered professional service.
- pays for legal defense up to \$200,000 for administrative investigations and disciplinary proceedings resulting from an alleged act, error, or omission while rendering the covered professional service.
- pays for legal defense up to \$100,000 for a criminal investigation or proceeding resulting from an alleged act, error, or omission while rendering the covered professional service.
- has **NO DEDUCTIBLES** and includes a three-year tail coverage for civil suits after you leave federal service.

COST

When compared to other necessary protections, such as your home or auto, FEDS PLI is very affordable – with payroll deduction options available!

Annual Premium

\$290* for FEDS \$1 Million Policy
\$390* for FEDS \$2 Million Policy
\$490* for FEDS \$3 Million Policy

*plus applicable taxes and fees

Agency Reimbursement

Federal law requires agencies to reimburse qualified employees up to 50% of the cost of this insurance.

COMMITMENT

Complaints and allegations have simply become the cost of doing business for many federal employees. Whether true or false, and whether exacerbated by media sensation, negative public impact, or political agendas, if you don’t have liability insurance in place, hiring a lawyer to defend your decisions, actions, or inactions could be cost prohibitive — even if you are ultimately vindicated.

FEDS is exclusively endorsed by the leading federal employee associations.

FEDS has earned our reputation of doing right by federal employees. Cost, coverage, commitment, legal representation, and customer service are the reasons FEDS is endorsed over all other federal employee professional liability providers!
